Don,

our discussion, I have attached a copy of the Crown Offering Memo (the numbers in it are a little dated, but the asset descriptions remain very relevant). Please ignore the sections pertaining to the retail stations as those are predominantly disposed of. Additionally, I have attached a number of financial spreadsheets for you and your team to review. Please note that the 2003 numbers for the Pasadena refinery have not been completed so I have not included them in this email.

As far as a next step, you (AMS) will be required to provide proof of financing. As such, I will need to speak directly with any banks that you are working with and get a copy of a commitment letter from any source of your equity. Please contact me directly with any questions.

Regards,  
Scott
